Dear Mr. Lueth:

Thank you for taking the time out of your schedule to provide me the job shadowing experience that took place on April 22, 2014. I realize that this took time away from your regular responsibilities, and I am grateful for all the information that you were able to provide regarding the daily tasks of your job.

This job shadow opportunity allowed me to gain an insight of the academic, technical, and personal skills required by this occupation, along with reinforcing the understanding of the connection between school and work. I appreciate the opportunity to learn from someone who works in the field of my interest.

During my visit, I enjoyed seeing what work environment I could potentially be a part of and hearing about what it is accountants at Plante Moran actually do. Many people, including myself, think of accountants as the people in the background sitting around crunching numbers all day, but after talking with you I can see that accountants do much more. Thank you again for allowing my classmates and me to talk to you and for the tour of the office setting.

Sincerely,

Sara Wieber
